OCAD University
Toronto, ON

Bachelor of Design,
Industrial Design
Sept 2016 - May 2020

Leisure

Community Giving
Feeding squirrels

CIBC Product Design Lead

Full-time | Personal & Commercial Banking | Toronto, ON

I led product design and built a GenAI tool that turned BRDs and UX laws into Figma Make prompts, targeting a 10% faster UX workflow. I shipped real products across platforms and improved internal processes while accelerating AI adoption.

August 2022 - May 2025

Kinsdesign Founder, Designer

Full-time | Remote Design Agency | Toronto, ON

Responsible for hiring, invoicing, and leading design projects to serve 10 clients on brand identity and website development projects. Placed 3rd internationally in a professional agency competition hosted by Adobe Creative Jam in 2021.

August 2020 - September 2025

RBC Digital Interaction Designer

Internship | Personal & Commercial Banking | Toronto, ON

Optimized client mobile experience for Direct Investing impacting over 700,000 users. Participated as Scrum Master for my squad to facilitate agile frameworks, daily ceremonies, and design studios.

May 2019 - August 2019

Market Gravity Design & Innovation Consultant

Internship | Personal & Commercial Banking | Toronto, ON

Managed the Design4 team to ensure the timeliness of project deliverables. Designed a proposition for one of North America's largest grocery retailers to launch a mobile application for a cradle-to-cradle delivery service for meal kits.

October 2018 - May 2019
